

CHOIR-ONLY PARTICIPATION

A family may register one or more students in the *choir-only* program and join the bi-weekly choir classes on Wednesdays and Fridays. In such a case this student is very welcome to participate in the life of the choir schola without joining the academic program; however, as the limited space available for the choir approaches full capacity, priority will be given to children in the academic program. *Choir-only* students must wear the SJCS uniform.
